Welcome to Don Valley

This afternoon we welcome the players, supporters and officials from Workington for another landmark in Eagles history - the first Slalom Lager Alliance game at our spectacular Don Valley home. Following on from the mid week victory over Dewsbury in the Alliance Cup we return to the business of the league and this fixture promises to be an enthralling match as Workington are immediately below us in the league; they have gained 23 points from 17 games whereas we have 24 from 19.

It is Silk Cut Challenge Cup action again at the Don Valley Stadium on Sunday when the Eagles' first team meet Salford in the second round of the competition. Eagles' followers accustomed to the normal kick off time of 3.15pm should take note that this game will start at 1.00pm.

League action continues at Odsal on Wednesday night when the Eagles kick off at 7.30 against Bradford Northern.

Player Profile - Dean Johnson

Dean was signed as a 17 year old from the Middleton Marauders in Leeds making his debut as a sub in the Alliance Team's first ever game against Trafford at Featherstone in September 1989. He has since missed only three games, playing mainly scrum half for the first half of last season before making the number 9 jersey his own.

To date he has made a record 41 appearances for the side, scoring seven tries, including a two try performance in the memorable victory over a Leigh side which had 15 consecutive wins under its belt. Dean has a young daughter called Stacey and hails from East Ardsley, near Wakefield.
